

THE SIDE POWER WRENCH

LES/LPS SERIES

Optimised design enables space-saving positioning parallel to the tie rod

Patented switch-off electronics protected against spray water and moisture

Infinitely adjustable torque settings with electronic overload protection

Display with integrated counter and countdown function

Patented tandem gear pulley for secure transmission of large torques up to 4800 Nm

Torque values readable on the label

Braked 360° pivoting drive unit enables simple positioning on the tie rod

Various wrench widths with reduction inserts ensure universal application options

Accessories: Hexagon adapter

Specially developed for working on plate heat exchangers

We have specially developed various series of side power wrenches in this sector for the safe assembly and disassembly of plate heat exchanger systems. They work fast and reliable, are weight-optimised and designed to be user-friendly. Regardless of whether your exchanger systems are equipped with or without thrust bearings, we have the appropriate system for all types to make your work as easy and comfortable as possible. Our side power wrenches are available with electric or pneumatic drives.

The alternative for smaller plate heat exchangers

The LES-09 model is our entry model with a torque up to 1600 Nm. These side power wrenches are impressive because of their practical and simple operation, particularly for smaller plate heat exchanger versions. High-performance aluminium ensures lower weight and the rotating hand grip adapts individually to the requirements of the user. The enormous bolting speed that is characteristic. The set includes a hexagon adapter for the next smallest wrench width, including the holder for attaching the adapter to the basic unit.

Technical data

LPS - pneumatic

LES - electric

Type	~ N·m max ^{*1}	~ lbf·ft max ^{*1}	~ U/min ^{*2}	⬡ mm	A/R mm	H mm	⚖ kg ^{*3}

Scope of delivery

- › Device
- › 1x Hexagon adapter
- › 1x Holder
- › Tool box
- › Operating manual

Optional accessories LES/LPS

- › Hose (4 m, only LPS)
- › Maintenance unit (only LPS)
- › Further hexagon adapter
- › Further holder
